Expected results, benefits and next steps

Date: 15 November 2022

Time: 11:00 – 13:00 AM (CET)

Venue: online meeting at ZOOM

Implemented by:

In cooperation with:

Expected results:

- The capacities of local governments, their Associations, NGOs and other relevant stakeholders **to apply successfully** the inclusion of diversity management in their structures have been enhanced.
- Systematic transfer of know-how will help **to understand and promote** Diversity Management as a concept, approach and tool for shaping and regulating social relations among all groups within a specific territory.

Benefits:

- Strengthening the economic, social and cultural human rights of all groups within a territory - in particularly disadvantaged groups - will enhance **social cohesion**.
- All social groups will, according to their potential, be enabled to contribute to the **common good**, to a sustainable, just and **inclusive** society.
- Understanding of Diversity is 1st step to apply the principle that everyone should be treated according to their own needs in order to **avoid discrimination**.

Next projects steps:
