

Protection and promotion of children's rights

Improvement through education and employment

Improving services of vulnerable groups

# Youth center Vermont

Inclusion of vulnerable groups

Raising public awareness

Strengthening the role of women in marginalized groups

**Info and help point for  
returnees, migrants and other socially  
vulnerable categories**

**Social inclusion of the vulnerable and  
marginalized groups**

**The Unit of the Daily Center in the  
Suljagic Sokak settlement**

# Goals

- + Strengthen returnees of Brčko District BiH and potential migrants to EU, belonging to the socially excluded categories in Brcko District areas
  - + Enabling socially vulnerable groups to take a larger part in the process of achieving their social and human rights
- + Achieved a better and more quality assistance for the marginalized groups in Suljagić Sokak settlement

**Thank you**
